Written notations included with or on your payment will not be reviewed or honored. Please send correspondence to:  
**Verizon Wireless Attn: Correspondence Team P O Box 15069 Albany, NY 12212**

**Automatic Payment Enrollment for Account: 785976976-00001 ARCH RESOURCES INC**

By signing below, you authorize Verizon Wireless to electronically debit your bank account each month for the total balance due on your account. The check you send will be used to setup Automatic Payment. You will be notified each month of the date and amount of the debit 10 days in advance of the payment. You agree to receive all Auto Pay related communications electronically. I understand and accept these terms. This agreement does not alter the terms of your existing Customer Agreement. I agree that Verizon Wireless is not liable for erroneous bill statements or incorrect debits to my account. To withdraw your authorization you must call Verizon Wireless. Check with your bank for any charges.

1. Check this box.      2. Sign name in box below, as shown on the bill and date.      3. Return this slip with your payment. Do not send a voided check.

## Need-to-Know Information

### Customer Proprietary Network Information (CPNI)

CPNI is information made available to us solely by virtue of our relationship with you that relates to the type, quantity, destination, technical configuration, location, and amount of use of the telecommunications and interconnected VoIP services you purchase from us, as well as related billing information. The protection of your information is important to us, and you have a right, and we have a duty, under federal law, to protect the confidentiality of your CPNI.

We may use and share your CPNI among our affiliates and agents to offer you services that are different from the services you currently purchase from us. Verizon offers a full range of services, such as television, telematics, high-speed Internet, video, and local and long distance services. Visit [Verizon.com](http://Verizon.com) for more information on our services and companies.

If you don't want your CPNI used for the marketing purposes described above, please notify us by phone any time at 800.333.9956 or online at [vzw.com/myprivacy](http://vzw.com/myprivacy).

Unless you notify us in one of these ways, we may use your CPNI as described above beginning 30 days after the first time we notify you of this CPNI policy. Your choice will remain valid until you notify us that you wish to change your selection. Your decision about use of your CPNI will not affect the provision of any services you currently have with us.

Note: This CPNI notice does not apply to residents of the state of Arizona.

### Subject to Cancellation

Our records indicate your account is past due. Please send payment now to avoid service disruption. If you have already made your payment please disregard this message and thank you.

### More On Wireless Taxes And Surcharges

Your total charges for this month's bill cycle are \$46380.73.

This includes charges for one or more bundled Verizon service plans that include voice, messaging, data, or other services for which you pay a monthly plan charge.

This bill cycle, your fixed monthly plan charges were \$20281.85 (before applying any discounts or credits, and excluding other charges such as overage, late payment, taxes, Verizon surcharges, and equipment).

To accurately bill taxes and Verizon surcharges, we regularly look at past network usage by you and other customers with similar plans to allocate this fixed monthly plan charge among the services included in the bundle.

In this bill cycle, we have allocated this amount as follows: \$826.33 for voice, \$170.85 for messaging, \$19284.67 for data, and \$0.00 for other services.

For more information, please go to [vzw.com/taxesandsurcharges](http://vzw.com/taxesandsurcharges).

### Bankruptcy Information

If you are or were in bankruptcy, this bill may include amounts for pre-bankruptcy charges. You should not pay pre-bankruptcy amounts; they are for your information only. In the event Verizon receives notice of a bankruptcy filing, pre-bankruptcy charges will be adjusted in future invoices. Mail bankruptcy-related correspondence to 500 Technology Drive, Suite 550, Weldon Spring, MO 63304.

### Explanation of Surcharges

Surcharges include (i) a Regulatory Charge (which helps defray various government charges we pay including government number administration and license fees); (ii) a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover charges imposed on us by the government to support universal service; and (iii) an Administrative Charge, which helps defray certain expenses we incur, including: charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers; fees and assessments on our network facilities and services; property taxes; and the costs we incur responding to regulatory obligations. **Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included, are subject to change from time to time.**

**Effective January 11, 2023, the definition of the Administrative Charge will be modified to help defray and recover certain direct and indirect costs we or our agents incur, including: (a) costs of complying with regulatory and industry obligations and programs, such as E911, wireless local number portability, and wireless tower mandate costs; (b) property taxes; and (c) costs associated with our network, including facilities (e.g. leases), operations, maintenance and protection, and costs paid to other companies for network services.**

**Please note that this surcharge is a Verizon Wireless charge, not a tax or government-imposed fee. This charge, and what's included, is subject to change from time to time.**

### Important Information Regarding Your Customer Agreement

Verizon is updating parts of your Customer Agreement. In the "Billing and Payments" section we are changing the amount of the late fee that will be assessed in the event we don't receive your payment on time from \$5 to \$7 (or 1.5% per month on the unpaid balance, whichever is greater), as allowed by law in the state of your billing address. In the "What are Verizon's rights to limit or end Service or end this Agreement?" section we are clarifying policies regarding statistically abnormal data use on 5G Home Internet or LTE Home Internet plans. In the "HOW DO I RESOLVE DISPUTES WITH VERIZON?" section we are: updating the rules and procedures regarding selection of an arbitrator and the authority thereof; clarifying the time within which an arbitrator should resolve claims; updating the rules and procedures for bellwether arbitrations and mediation proceedings; and clarifying that the Customer Agreement is governed by federal law and the laws of the state encompassing the billing address associated with your account.

## Need-to-Know Information continued ...

### **FUSC Change**

The Federal Universal Service Charge (FUSC) is a Verizon Wireless charge that is subject to change each calendar quarter based on contribution rates prescribed by the FCC. On July 1, 2023, the FUSC on separately billed interstate and international telecom charges increased to 29.2%. For more details, please call 1-888-684-1888.

### **Economic Adjustment Charge**

Our number one priority is to provide exceptional service to your business and consistently deliver the quality and reliability that you expect from Verizon Business.

Just as you are seeing in your business, Verizon Business is seeing a wide range of increases in its costs to provide service. As these challenges have continued to mount, we have made the decision to add an Economic Adjustment Charge.

On June 8, 2023, Verizon Business began adding the charge to new LTE Business Internet and 5G Business Internet lines. And starting in August 2023, the charge will apply to existing LTE Business Internet and 5G Business Internet lines where the applicable price guarantee has already ended and thereafter on a rolling basis as your applicable price guarantee ends. The amount of the charge is \$2.98 per month, for each qualifying LTE or 5G Business Internet line.

On June 16, 2022, Verizon Business began adding the charge to newly activated and upgraded lines, existing lines that have completed a contract-based line term, and lines that have twelve (12) months or fewer remaining on a Device Payment Plan Agreement. The amount of the charge is \$2.98 per month/line for each smartphone and data device, and \$0.98 per month/line for each basic phone and tablet device.

As lines meet these criteria, the charge will be automatically added to your bill. You can find the Economic Adjustment Charge in the Other Charges & Credits section of your bill.

Thank you for trusting in us and choosing Verizon Business as your partner. We remain committed to delivering outstanding network performance, service excellence and value for your business.
